SUBJECT : Meeting with HPSCI Staffers on  
DDS&T FOIA File Designations

1. During the course of the 22 March Directorate of Science and Technology's (DS&T) meeting with the House Permanent Select Committee on Intelligence (HPSCI) to discuss the DS&T's FOIA file designations, Mr. O'Neil asked if the Office of Technical Service (OTS) could determine which files are in support of HUMINT collection and which are for Covert Action support.

2. The answer to this question is, yes. Covert action

3. I believe this answer satisfies Mr. O'Neil's question concerning OTS support to Covert Action. Also, we have added the Covert Action files in the Special Activities Division to the list of files that are non-designated.

4. If you have additional questions, please call me on
